Forecast For The United Kingdom
Issued by Met Office Exeter
at 1600 on Wednesday 03 Feb 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cold and wintry in the north. Milder in the south.

This Evening and Tonight:
Further rain, heavy at times, across central and northern parts, with snow on hills. Frosty in the far north with clear spells and wintry showers. Mostly dry in the south, a few fog patches forming.

Thursday:
Further rain in the north with snow on hills, some large accumulations over parts of Scotland where cold. Brighter and milder in the south, some showery rain moving northeastwards.

Outlook for Friday to Sunday:
Heavy snow across parts of Scotland Friday tending to become lighter into the weekend. Milder at first elsewhere but turning colder with snow showers in the east over the weekend.
